ASL 275 - LEARNING OUTCOMES

• Identify Norms, Values, and Beliefs that constitute American Deaf Culture
• Explain how language equals power in general, and specifically within the Deaf Community
• Identify and order large scale critical events in the Deaf Community within the recent past
• Identify ways in which the eugenics movement worked to dismantle the Deaf Community
• Explore different educational methodologies for the d/Deaf — their pros and cons
• Identify Audism and explain it in both the actions and attitudes of self and others
• Articulate how their learning in this course changes their thinking and perceptions about D/deaf people, and how they have become a better equipped global citizen
